EXPERIENCE

Communications and Web Developer   **2020-Present**
Encounter the Truth
Ottawa, ON
Managed and developed a start-up company that produces radio broadcasts all over Canada and the US.
Key Accomplishments:

- Developed a user-friendly website using Squarespace, HTML, CSS, and Javascript
- Uploaded daily broadcasts to online platforms such as YouTube, Spotify, and Subsplash
- Collaborated with marketing companies and other radio broadcasting platforms to create an accessible platform for listeners.
- Created a mobile application using the Subsplash platform.
- Utilized social media platforms such as Facebook and Instagram to interact with listeners online.

Communications Specialist   **2019-Present**
The Metropolitan Bible Church   **Ottawa, ON**

Managed and developed online technologies, including website, social media, event registrations and graphics.
Key Accomplishments:
- Developed a communications pipeline to facilitate event planning and registrations.
- Updated and re-designed website to create a user-friendly platform enabling people to find information and register for events.
- Collaborated with other development teams and platforms to optimize company applications
- Monitored and integrated online platforms that enabled people to attend Church online throughout Covid
